## Final Reviewer Controls

This consolidated course-material PDF is included separately from the complete signer-review binder so signer and reviewer users can locate course content quickly in Google Drive.

- Status: Draft / Pending Approval.
- Do not issue certificates, advertise approval, or claim approved provider/course numbers until regulator approval is received.
- Use this branded course PDF for end-user review; do not substitute raw source folders, build scripts, prompt files, old one-page fragments, or superseded placeholders.
- Official government forms remain in the lane's signer-review folder and are intentionally unbranded.

| Review item        | Expected result                                                         |
|--------------------|-------------------------------------------------------------------------|
| Branding           | CI Institute of Nursing logo and template styling present               |
| Regulatory posture | Draft / Pending Approval stated clearly                                 |
| Course consistency | Matches lane binder and final checklist                                 |
| Submission caution | No certificate, advertising, or approval claim until regulator approval |
