RCFE-CETP-003	Alzheimer's Disease and Related Dementias: Safety, Environment, and Documentation	4

Important exclusion

This dementia block is part of the current 9-course / 27-hour packet. It is not the future 40-hour concept and should not be treated as a separate approved program until CDSS approval is received.

Final Reviewer Controls

This consolidated course-material PDF is included separately from the complete signer-review binder so signer and reviewer users can locate course content quickly in Google Drive.

- Status: Draft / Pending Approval.
- Do not issue certificates, advertise approval, or claim approved provider/course numbers until regulator approval is received.
- Use this branded course PDF for end-user review; do not substitute raw source folders, build scripts, prompt files, old one-page fragments, or superseded placeholders.
- Official government forms remain in the lane's signer-review folder and are intentionally unbranded.
