BRN 30-Contact-Hour LMS Course Package

Consolidated LMS/course package | 10 modules x 3 contact hours

Field	Value
Total	30 contact hours
Instructional basis	50 instructional minutes = 1 contact hour
Design minutes	1,680 design minutes / 1,500-minute minimum

LMS course package

- Ten self-paced modules, each mapped to 3 contact hours.
- Module completion requires content review, knowledge checks, final assessment controls, and course evaluation.
- Records support BRN contact-hour documentation and provider recordkeeping.

Module package map

M10	Capstone and Final Assessment - objectives, content sections, assessment, and completion record

Final Reviewer Controls

This consolidated course-material PDF is included separately from the complete signer-review binder so signer and reviewer users can locate course content quickly in Google Drive.

- Status: Draft / Pending Approval.
- Do not issue certificates, advertise approval, or claim approved provider/course numbers until regulator approval is received.
- Use this branded course PDF for end-user review; do not substitute raw source folders, build scripts, prompt files, old one-page fragments, or superseded placeholders.
- Official government forms remain in the lane's signer-review folder and are intentionally unbranded.

Review item	Expected result
Branding	CI Institute of Nursing logo and template styling present
Regulatory posture	Draft / Pending Approval stated clearly
Course consistency	Matches lane binder and final checklist
Submission caution	No certificate, advertising, or approval claim until regulator approval
