Prepared: June 09, 2026

Status: Documentation complete - ready for verification, signature, and submission review. This package contains only final signer/submission-review deliverables for three continuing-education application lanes.

Consolidated signer-review binders

Binder	Pages	Course structure
CNA / CDPH CE	17 (12 branded + 5 official)	24 online CE hours = 12 units x 2 hours (U01-U12; source Modules 10-17)
RCFE / CDSS CETP	45 (11 branded + 34 official)	9 LIC 9140 courses / 27 hours (filed packet)
BRN Care Manager CEP	21 (11 branded + 10 official)	30 contact hours / 10 modules x 3 (provider approval; contact hours, not CEUs)

COURSE ALIGNMENT SUMMARY

Lane	Aligned structure
CNA	24 online CE hours = 12 units x 2 hours (Units U01-U12; source Modules 10-17, Year 1 + Year 2). Old 12-hour M00-M07 ContentV2 superseded.
RCFE	9 LIC 9140 courses / 27 hours (filed packet); 40-hour/12-module LMS isolated as future expansion.
BRN	30 contact hours / 10 modules x 3 (provider approval; contact hours, not CEUs).

CNA alignment: ALIGNED. The application matrix, CDPH 192B course attachment, LMS package, workbook, PDF-ready documents, and binder all use the 12-unit x 2-hour structure with Modules 10-17 as the source backbone. No unit-vs-module mismatch remains.
