Vendor Application Executive Summary

CI Institute of Nursing is preparing a separate RCFE Administrator Continuing Education Training Program (CETP) vendor application package for CDSS review.

What Is Being Turned Over

- LIC 9141 vendor application binder and section files.
- Official blank LIC 9141 and vendor fee notice.
- Filled draft LIC 9141 and filled draft vendor fee notice with unknown fields marked [PENDING CONFIRMATION].
- Corporate documentation, signer authority, fee/payment, Vendor Automation Platform, QA, and final gate packets.
- CDSS source research notes.

Track Status

Area | Status

--- | ---

Vendor application track | Drafted; pending legal/entity/signer/payment fields remain.

Course approval track | Separated into the LIC 9140 package; not embedded as primary body content here.

Fee baseline | \$140 RCFE CETP vendor initial application fee confirmed in current CDSS Vendor Information and Vendor FAQ.

Final gate | Required before submission, signature, fee payment, approval claims, or vendor-number use.

Gate Status

Execution may continue internally. No CDSS submission, signatures, approval claims, payment, or issued-number use until final clearance.
