CI Institute of Nursing | Google Drive end-user packet

BRN RN Case Management / Moodle LMS reference.

- This is a reference copy of the Moodle LMS implementation requirements.
- It supports the application/course implementation review.
- It is not the official application form.
- It is not proof of approval.
- It should not replace the official forms, signed binders, or agency-required documents.
- Use 30 contact hours, not CEUs, in BRN-facing text.
- Do not include stale 4-contact-hour language.

This PDF is a styled reviewer-facing reference document. Official government forms remain unbranded.
