Post-Test Questions and Answer Key

No.

Question

Answer key

1

What is the function of a needs and services plan?

It translates assessed resident needs into services, monitoring, documentation, and staff direction.

2

When should reappraisal be considered?

When resident condition, behavior, care needs, or safety risks materially change.

3

Why should admission decisions be documented carefully?

They support resident safety, regulatory compliance, and defensible operations.

4

What should happen when retention is uncertain?

Escalate to leadership and Compliance

before a final decision.

5

Which Core category applies?

Resident Admission, Retention, and

Assessment Procedures.

Active Participation Verification Method

Live-stream attendance is verified through platform log-in records, attendance check at opening and closing, periodic polls or chat/verbal responses at least every 20 to 30 minutes, facilitator monitoring, and post-test completion. A participant who is absent, inactive, or disconnected for a material portion of the approved hours is not issued completion credit until the deficiency is resolved under an approved make-up approach.
