EXECUTIVE SUMMARY

This binder consolidates the CI Institute of Nursing RCFE Continuing Education Training Program (CETP) submission for CDSS signer verification and submission review. It covers one **LIC 9141** vendor application and **nine LIC 9140** course approval requests totaling **27 continuing education hours**.

This binder reflects the **current filed application packet: 9 LIC 9140 courses / 27 hours**. A separate 40-hour / 12-module RCFE administrator-renewal LMS concept exists in the repository; it is classified as **future LMS expansion - not the current submitted LIC 9140 set** and is intentionally excluded from this submission because no matching updated LIC 9140 forms exist. See the Final Course Alignment Audit.

Pending CDSS/ACS approval. Do not advertise, issue certificates, or claim vendor/course approval until the applicable approval is issued.
