Agency Approval Pending

LMS development remains held until approved SME review and applicable agency metadata are complete.

Required Inputs After SME Approval

- ? Moodle requirements-only PDF
- ? CNA, RCFE, and BRN raw LMS course-content PDFs
- ? Lane LMS build workbooks
- ? Activity/interactivity maps and question-bank spreadsheets from source repository, if released by owner
- ? Completion rules and certificate gate rules
- ? Implementation tracker and reviewer access requirements

Hold Language

LMS development may not start until Vanessa Valerio, RN or another approved SME has reviewed and approved the course materials. Internal SME approval is required before Aldrin/Dagny begin Moodle course-shell build, content import, quiz import, learner-access configuration, certificate setup, or production implementation. SME approval does not replace agency approval.
