Syllabus objectives

Unit

Objectives

U01

Vital-signs terminology; temperature routes/ranges and factors; objective pain observation and scope-safe reporting.

U02

Pulse, respirations, and blood-pressure concepts and adult normal ranges; record T-P-R/BP within scope; report abnormal findings.

U03

Therapeutic diets, safe feeding assistance, aspiration prevention, hydration, cultural respect, and scope-safe observe/report duties.

U04

Recognize distress; scope-safe immediate actions and EMS chain; conscious-choking response within scope; facility codes.

U05

Aging changes, common conditions, complications of immobility, basic A&P;, and scope-safe observation.

U06

Dementia-sensitive person-centered care, de-escalation, psychosocial/spiritual needs, and community resources.

U07

Restorative philosophy, CNA role on the rehab team, ADLs, adaptive devices, ROM, and immobility prevention.

U08

Objective vs subjective observation; word elements/abbreviations; reporting cues and scope-safe escalation.

U09

Charting document types; accurate, timely, factual scope-safe recording and corrections; incident and change reporting.

U10

Grief, comfort, hospice awareness, dying-resident rights, and postmortem care boundaries.

U11

Abuse terminology and types; resident rights; CNA prevention role and risk recognition.

U12

Mandated reporting, confidentiality, objective documentation, and final applied scenario.

Approval posture

Draft / Pending Approval. Online CE only. No clinical hours. No hands-on competency validation. No full-renewal claim. No certificate or advertising until CDPH approval is issued.

CNA Course Materials | CI Institute of Nursing | Draft / Pending Approval

Final Reviewer Controls

This consolidated course-material PDF is included separately from the complete signer-review binder so signer and reviewer users can locate course content quickly in Google Drive.

Status: Draft / Pending Approval.

Do not issue certificates, advertise approval, or claim approved provider/course numbers until regulator approval is received.

Use this branded course PDF for end-user review; do not substitute raw source folders, build scripts, prompt files, old one-page fragments, or superseded placeholders.

Official government forms remain in the lane's signer-review folder and are intentionally unbranded.
