This is a CI Institute of Nursing derivative review document prepared for signer/reviewer visibility. It does not alter official government forms or source/reference curriculum materials.

CNA Module 12 - Emergency Procedures

Course / Module Visibility Purpose

This visible Drive-packet document gives reviewers a module-level view of CCCCCO/NATP Module 12 - Emergency Procedures as the source backbone for the current CNA/CDPH online CE package.

Application-Facing Structure Preserved

The approved/current application-facing structure remains 12 units x 2 online CE hours = 24 online CE hours. CCCC/NATP Modules 10-17 are not presented as eight standalone 3-hour final courses. They are the source module backbone mapped into the 12-unit online CE course structure.

Unit

Learner-facing unit title

Hours

U04

Emergency Procedures, Distress

Recognition, Choking Response, and Facility

Codes

2 online CE hours

Learning Objectives

Recognize signs of resident distress and initiate scope-safe reporting.

Sequence immediate CNA actions: stay with resident, call the nurse, activate the facility emergency chain.

Describe within-scope response to a conscious choking adult in online CE terms.

Match facility emergency codes and documentation responsibilities.

Course Outline

Emergency chain-of-command, facility codes, and communication expectations.

Distress cues, falls, fire, disaster, missing-resident, and choking-response concepts.

CNA limits: no independent diagnosis, treatment orders, or hands-on certification claim.

Post-event reporting, debriefing, and objective documentation.

Learner Activities

Learner page with objectives, status banner, and source/backbone statement.

Lesson content organized around the source module topic and mapped LMS unit(s).

Fictional resident scenario focused on observe/assist/report/document boundaries.

Formative knowledge check with feedback and remediation; no public answer key.

Completion attestation confirming online CE participation and no-PHI rules.

Assessment / Knowledge-Check Plan

Unit knowledge checks: 8-10 auto-graded items, unlimited attempts, immediate feedback.

Year assessment coverage follows the 12-unit map: U01-U06 for Year 1 and U07-U12 for Year 2.

Certificate gate remains blocked until all 12 units, year assessments, seat-time evidence, and approval confirmation are complete.

Compliance Guardrails

Draft / Pending CDPH approval; no approval claim is made.

Online CE only; no clinical hours and no hands-on competency validation are claimed.

This online CE course does not, by itself, complete all California CNA renewal requirements.

CNA scope is limited to observe, assist, report to the licensed nurse, and document within scope.

No real resident, facility, or PHI data may be entered in scenarios, assignments, or documentation practice.

Old ContentV2 M00-M07 is not presented as current or controlling.

The superseded 8 modules x 3 hours framing is not presented as the final structure.

Source / Backbone Statement

Source backbone: CCCCO Nurse Assistant Model Curriculum / NATP source Module 12 - Emergency Procedures. This CI Institute of Nursing derivative review packet summarizes and maps the source backbone for Drive visibility. It does not brand, restyle, watermark, crop, or redesign original CCCCO/NATP source pages or official source excerpts.

Review / Signoff Notes

SME/instructor evidence remains subject to final signer verification.

Reviewer should verify that the lane binder, CDPH forms, course matrix, and LMS build continue to show 12 units x 2 online CE hours.

Approval status remains Draft / Pending Approval until issued.
