Post-Test Questions and Answer Key

No.

Question

Answer key

1

What should staff supervision documentation show?

Expectations, observations, coaching,
follow-up, and escalation when needed.

2

Why are training records part of supervision?

They show staff were prepared for assigned
duties and support compliance review.

3

What is a risk of unclear role assignments?

Gaps in care, inconsistent documentation,
and reduced accountability.

4

When should a staffing issue be escalated?

When resident safety, regulatory compliance,
or coverage expectations may be affected.

5

Which Core category applies?

Management/Supervision of Staff.

Active Participation Verification Method

Live-stream attendance is verified through platform log-in records, attendance check at opening and closing, periodic polls or chat/verbal responses at least every 20 to 30 minutes, facilitator monitoring, and post-test completion. A participant who

is absent, inactive, or disconnected for a material portion of the approved hours is not issued completion credit until the deficiency is resolved under an approved make-up approach.
