- Application fee of \$750 (check or money order) payable to the Board of Registered Nursing.
- Completed “Application for Approval as a Continuing Education Provider” which includes the “Course Information” form (pages 5 and 6) and “Instructor Information” form (page 7).
 - Be sure to provide your Federal Employer Identification Number (FEIN), if you are a business or corporation, or your United States Social Security Number (SSN), if you are an individual and do not have a FEIN number. Failure to include this will delay processing of your application.
 - If you are planning to offer an advanced pharmacology course to Nurse Practitioners and/or Certified Nurse-Midwives, contact BRN staff to be sure your course meets BRN requirements.
- A sample of the advertising flyer/brochure and the certificate of completion.

The time required to process a complete application is a minimum of eight to twelve weeks. The application fee of \$750 is an earned fee for evaluating your application. The fee is NOT refundable.

IMPORTANT

The Board of Registered Nursing (Board/BRN) requests that all BRN-approved CEPs permit persons whose licenses have been disciplined by the Board to attend continuing education (CE) courses because these persons may have difficulty finding approved CE courses within a geographic area or which meet certain time constraints.

It has come to BRN's attention that, at times, persons whose licenses have been disciplined (had the license to practice registered nursing surrendered, revoked, suspended, or placed on probation) have been denied the opportunity to take CE courses. Please note that the Board, with some exceptions, permits any person who has a license issued by the Board and whose license has subsequently been disciplined, to take CE courses.

The exceptions are when the course has a direct patient care component and the disciplined license is in a revoked status, or is currently suspended from practice, or the person is on probation and enrollment in the course must be approved by the BRN.

Persons with disciplinary action may need to present documented evidence to the Board verifying completion of CE courses in order to demonstrate current nursing knowledge. Such documentation may be needed by a petitioner for reinstatement of a registered nursing license or by a nurse on Board-imposed probation.

The certificate to be issued to persons who have a license revoked or suspended after successful course completion can contain the name of the person without the initials “RN” and without an RN license number. For registered nurses with a license on probation, the initials “RN” and the license number can appear on the certificate.
