Please complete the bottom portion of this form and submit the entire invoice to the Bureau with your payment:

- Read the attached instructions before completing this form.
- Each institution and each branch of the institution approved by the Bureau is required to pay an annual fee covering a 12-month period. An individual invoice is generated for each main and branch location. The billing month is determined by the approval month of the institution.
- The fee for each main and branch location is .55% of the annual gross revenue for each location (see attached instructions).
- The annual fee is calculated based on the institution's annual gross revenue for each location, derived from the students in California for the past fiscal year.
- The annual gross revenue reported must be accurate and complete. The institution shall provide to the Bureau its most current financial statement upon request (CCR section 71745(c)).
- A payment not received on or before the 30th calendar day after the due date shall be subject to a **25% penalty fee** and a payment received after the 90th calendar day after the due date shall be subject to a **35% penalty fee**.
- If an institution fails to timely pay any fee and/or penalty fees, the Bureau may initiate proceedings to revoke the institution's approval to operate or deny the institution's renewal to operate (Title 5, California Code of Regulations section 74000).
