Approved Schools

Annual Fee

An approved school should expect to receive an Annual Fee Invoice within approximately 30 days of its approval date. The school will receive an Annual Fee Invoice that same month every year thereafter. The annual institutional fee is based on the annual gross revenue for each campus, derived from students in California. The minimum annual fee required for each campus is \$2,500. This fee is separate from the Renewal Fee that approved schools must pay every five years.

94930.5. Fee Schedule

Subject to Section 94930, an institution shall remit to the bureau for deposit in the Private Postsecondary Education Administration Fund the following fees, in accordance with the following schedule:

(d) (1) In addition to any fees paid to the bureau pursuant to subdivisions (a) to (c), inclusive, each institution that is approved to operate pursuant to this chapter shall remit both of the following:

(A) An annual fee for each campus designated by the institution as a main campus location in California, in an amount equal to 0.55 percent of the campus' total gross revenue derived from students in California, but not to be less than two thousand five hundred dollars (\$2,500) and not to exceed sixty thousand dollars (\$60,000).

(B) An annual campus fee for each branch of the institution in an amount equal to 0.55 percent of the branch's total gross revenue derived from students in California, but not to be less than two thousand five hundred dollars (\$2,500) and not to exceed sixty thousand dollars (\$60,000).

(2) The amount of the annual fees pursuant to paragraph (1) shall be proportional to the bureau's cost of regulating institutions under this chapter, but shall not exceed seven hundred fifty thousand dollars (\$750,000) for any institution.

Student Tuition Recovery Fund (STRF)

Effective February 8, 2021, the Student Tuition Recovery Fund (STRF) assessment rate was changed to zero (\$0.50) per \$1,000. Approved institutions are required to complete and submit STRF Assessment Reporting Forms quarterly, even though they will no longer be collecting STRF assessments. Institutions will continue to be required to maintain all back-up documentation for STRF assessments as well. Schools will receive their quarterly STRF Invoice in the mail and should be returned to the Bureau by the due date listed on the form.

Annual Report

Approved schools are required to submit an Annual Report to the Bureau by December 1st of each year. The Annual Report must include specific financial documents along with links to the school's Web site, enrollment agreement, catalog, and Performance Fact Sheet.

Substantive Changes

If an institution intends to make a substantive change to its approval to operate, the institution shall receive prior authorization from the bureau. Except as provided in subdivision (a) of Section 94896, if the institution makes the substantive change without prior bureau authorization, the institution's approval to operate may be suspended or revoked. (CEC §94893)

The following changes to an approval to operate are considered substantive changes and require prior authorization (CEC §94894):

- A change in educational objectives, including an addition of a new diploma or a degree educational program unrelated to the approved educational programs offered by the institution.
- A change in ownership.
- A change in control.
- A change in business organization form.
- A change of location.
- A change of name.
- A significant change in the method of instructional delivery.
- An addition of a separate branch more than five miles from the main or branch campus.

Non-Substantive Changes

5 CCR §71660. Notification of Non-Substantive Changes.

An institution shall notify the Bureau of a non-substantive change including: change of location of less than 10 miles; addition of a program related to the approved programs offered by the institution; addition of a new branch five miles or less from the main or branch campus; addition of a satellite; and change of mailing address. All such notifications shall be made within 30 days of the change and sent to the Bureau, in writing, to the address listed in section 70020.
