CI Institute of Nursing has been selected for an on-site inspection.

Compliance Analyst Laura Cheah has been assigned to conduct the compliance inspection. Please direct all communication and questions to her by phone at (916) 574-7389 or by email at laura.cheah@dca.ca.gov.

To facilitate an efficient and thorough inspection, the Bureau requests the following documents ahead of the inspection for review:

- General Information Form (Attached - Should be signed by an authorized Institution representative.)
- Current Catalog and Catalog Checklist (Attached)
- Current Enrollment Agreement and Enrollment Agreement Checklist (Attached)

Please submit the pre-inspection documents by email to the assigned compliance analyst no later than October 23, 2024.

At the beginning of the on-site inspection, the Bureau will provide the Institution with a list of each minor violation identified during the review of the documents submitted prior to

the inspection. The Bureau will then continue the on-site portion of the inspection and identify any additional violations discovered. Until the conclusion of the on-site inspection, the Institution will have an opportunity to correct each minor violation found.

Prior to leaving the Institution, a Notice to Comply (NTC) will be issued to the Institution to any owner, person in control, chief academic officer, chief executive officer, chief operating officer, institution director, or any person delegated by any of the aforementioned persons to facilitate the inspection or accept such notice. The NTC will identify each minor violation that could not be corrected during the inspection. The institution will have 30 days to respond to the NTC. (5 CCR section 75010.)

Failure to comply with an NTC will result in an administrative enforcement action. (CEC section 94935(h).)

The owner of the Institution is requested to be available during all portions of the compliance inspection or may designate an authorized individual that has full authority to make any required changes for compliance with all statutory and regulatory requirements.
