1. CDPH E276 - ONLINE NURSE ASSISTANT TRAINING PROGRAM APPLICATION

- We are unable to access LMS with the provided log in credentials. Please provide correct user ID and password to access LMS.

2. CDPH E276B - ONLINE NURSE ASSISTANT TRAINING PROGRAM DAILY CLINICAL SCHEDULE

- No theory or clinical make up day is listed on the schedule. Please revise and include theory and clinical make up days in the schedule. Please also ensure the number of make-up days provided matches with the number of days of absences listed in policy # 5.
- Schedule is missing the Days and Length. Please include schedule Days and Length on the top of the schedule.
You have listed the schedule times as 08:00-4:30pm/ 7:00am-3:30pm. It is unclear if these times pertain to theory or clinical. Please clearly indicate which times are for theory and which ones for the clinical.

3. CDPH E276E - ONLINE NURSE ASSISTANT TRAINING PROGRAM CLINICAL SITE AGREEMENT

- Vi at Palo Alto
 - Please clarify and provide the physical address of the NATP - our database indicates "824 San Antonio Rd Palo Alto CA, 94303".

4. CDPH E276P - ONLINE NURSE ASSISTANT TRAINING PROGRAM POLICIES AND PROCEDURES

- Training program name does not match the name provided on CDPH E276. Please provide correct name in the line for Training Program Name.
- Policy # 2
 - In the line for additional job description, you have only listed "HR Manager/Registrar." Please list all job titles as listed on the organizational chart.

- Policy # 5
 - You have listed that students are allowed three absences. It is unclear how many absences are for theory and how many for clinical. Please clarify.
- Policy # 6
 - The NATP business hours listed do not match the hours listed on CDPH E276 B. Please revise to provide correct business hours.
- Please remove signatures and dates from Attestation A (last page of policies.) This Attestation is only applicable to SNF/ICF.
- Job Descriptions
 - **RN Program Director:** RN Program Director qualifications are not listed correctly. Please list correct qualifications under Education/Experience section.
 - **Instructor:** DSD/Instructor qualifications are not listed correctly. Please list correct qualifications under Education/Experience section.
- Instructor Monitoring checklist:
 - One of the instructor monitoring checklists lists the title as “CLASS OBSERVATION BY THE DIRECTOR.” The title “DIRECTOR” is not listed on the organizational chart. You have also listed the title “Director” in various other monitoring checklists. You have also listed the title of one document as “CLINICAL FACILITY EVALUATION BY THE FACULTY.” It is unclear if you intended the evaluation by to be completed by the RN Program Director. If so, please revise the checklists accordingly. Instructor evaluations must be completed by the RN Program Director.
- Student Handbook:
 - You have listed the program as “Nursing Assistant Training Program.”

This program is being reviewed as Certified Nurse Assistant Program. Please provide the correct title of the program.

- It is stated in the handbook that clinical hours will be held at the contracted training facilities or laboratory. Please note that all clinical training must be completed at the approved clinical facility and not in the laboratory. Please revise.
- It is stated in the handbook that “Make-up work may be required for any absence at the discretion of the instructor.” Please note that all make up need to include the same content and participation time requirements as the original scheduled class. Please revise to clarify.
- You have mentioned “nurse assistant” in the handbook. Please change it to Certified Nurse Assistant where applicable since your program is for Certified Nurse Assistants.
- You have stated in the handbook that “A minimum of 50 minutes of instruction during a 60-minutes period is required for each contact hour.” Please revise as full 60-minute instruction is required.
