

ACB Guide for Course Review

This guide was created to support and assist vendors with the submission of complete Request for Course Approvals. Courses are to be developed in full-hour increments, with the instructional content detailed hour-by-hour on the required course outline. Before submitting a request for review, please take a few minutes and check to ensure the following components are included; the guide itself does not need to be submitted.

Processing Fee (For Continuing Education Training Program courses)

Did I submit the applicable course processing fee?	Yes?
If submitting the request on the Vendor Automation Platform , the course processing fee will be paid with a credit card. If submitting the request via postal mail, mail in a check or money order with the Notice of Payment Information: Course Fees .	☐
